REASONS FOR ALLOWANCE

1. Claims 1-8 allowed over prior art.
2. The following is an examiner's statement of reasons for allowance: the prior art made of record does not teach or fairly suggests in combination the scheduling section for performing the scheduling process of the predetermined time span, during which no sending data exist in the logical path connected to said receiving unit; and the dummy data sending section for sending the dummy data to which the appropriate parity information is added.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

3. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure.

Esaki (US 4,970,720) discloses a packet communication exchange including dummy packet transmission.

Kim (US 6,070,075) discloses hard handoff method using the dummy pilot.
